

# OFFICE **New** CHAIR

Smart and sensitive.

## Company Introduction

- Anji LiXin Furniture CO.,Ltd located in "chair hometown," --Anji Industrial Park Zhejiang Province China. Lixin specializes in manufacturing mesh chairs. As we have our own plastic mould and machine, we produce the mesh plastic parts including backrest, armrest, nylon base and castors ourselves, that makes we have great advantage on this type of products.
- Our company focus on the below two basic elements while it comes to selling good quality products.
- 1>Price:  
Our prices are fair and competitive. We will offer competitive price on condition of high quality and good service.
- 2>Honesty:  
Not over promise and under deliver. We will always be honest with our all customers on every aspect of our service.
- We warmly welcome you to visit our company to get more information about us. Please contact us if you are interested in our products.
